

STEPS YOU CAN TAKE TO GET RIGHT WITH GOD

- 1) You must talk to our Father in the name of Yahshua and repent
- 2) Read His Word daily and apply what you read to your life
 - a. Read at least one chapter per day at minimum
 - b. Start in the book of John, then read Matthew, then go to Acts and finish up until you get to Revelation. Don't read Revelation, but go to Genesis and read the Old Testament through. Read Psalms and Proverbs separate from your daily chapter per day
- 3) Turn away from your sins
- 4) Detox from the World. Remove yourself from all the entertainment and distractions you were used to filling your mind up with
- 5) Stop following the ways & traditions of this world and follow the ways of our Father in Heaven
- 6) Identify potential idols in your life and remove them
- 7) Learn that you must bear your cross
- 8) Going to Church is not a requirement. That does not mean that you do not fellowship with like-minded believers. Remember when 2 or 3 are gathered in His name, He is there in the midst of them
- 9) Remember it's about a personal relationship. This is not religion, so do not approach it in this way. This is not organized religion
