

READING BIBLE ROADMAP

THIS IS A ROADMAP THAT CAN BE USED FOR ANYONE THAT WANTS TO START READING THE BIBLE.

THIS IS NOT A RULE, BUT JUST A ROADMAP TO ASSIST YOU

**IT IS RECOMMENDED THAT YOU READ AT LEAST 1 CHAPTER/DAY IN ORDER
1 CHAPTER OF PSALMS OR PROVERBS SHOULD BE READ DAILY AS WELL**

1) START IN THE BOOK OF JOHN

(You must know the gospel. This is an account told in love. Great place to start.)

2) READ ANOTHER GOSPEL ACCOUNT. I SUGGEST BOOK OF MATTHEW

(There are more details of the gospel not covered in John. Matthew is a great account and told in a manner confirming prophecy foretold of the Messiah)

3) GO ON TO BOOK OF ACTS

(You must know the beginning history of the church and how the gospel was first spread)

4) READ THE REST OF THE NEW TESTAMENT - BOOK OF ROMANS TO JUDE

(This is all about doctrine and understanding the faith. Very important books to read)

5) SKIP BOOK OF REVELATION

(This book should be read on it's own a part from your daily reading)

6) GO BACK AND START AT GENESIS AND READ THROUGH OLD TESTAMENT

7) LEVITICUS THROUGH DEUTERONOMY CONSISTS OF THE LAW

(If you are just beginning your understanding or find yourself getting lost while reading this, you may want to come back and study the Torah on later on. You can not skip this information but it's ok to come back and study later. You can't really understand Israel without understanding the Law)

8) IF YOU SKIPPED THROUGH LEVITICUS - DEUTERONOMY, START BACK AT JOSHUA

(Pick up your reading of the Old Testament back in Joshua)

9) PSALMS & PROVERBS SHOULD NOT BE IN THIS READING PLAN

(You should read Psalms & Proverbs daily along with your reading plan)

10) THE OLD TESTAMENT IS A MIXTURE OF HISTORY, LAW, & PROPHECY

(Know what you are reading and who the audience is. This really goes for the entire Bible)

BE CONSISTENT!
TRY TO READ THE SAME TIME EVERYDAY
SUGGESTED EITHER THE FIRST THING YOU DO IN THE MORNING OR
LAST THING YOU DO AT END OF DAY
