

Mindsets to Hold When Dealing With Mental Warfare

- 1. If everyone is saying the same thing, I do not listen to it. That's a program**
- 2. Ask questions and try to get answers**
- 3. I live with a mindset of being set apart**
- 4. I don't care about what they argue over in politics, I care about what they all agree to**
- 5. I don't play political dissensions**
- 6. I make sure to follow the United Nations Sustainable Development Goals to understand the world's agenda**
- 7. There is no longevity in this current scheme**
- 8. The majority is against me, not for me**
- 9. This world is controlled by satan, so when I see anyone propped up and supported by this system, they have sold out in some fashion**
- 10. Everything we see about Ukraine is about the collapse of the old-world order**
