

TESTING CHRISTIANITY

“THE TEST”

This is a test to understand your fundamental beliefs about Christianity. This is not meant to judge you, but to test the faith of Christianity itself and see if the religion is biblical or based on beliefs of men.

Please answer the questions based on what you truly believe.

1. Who did our Father, YAHUAH (you may call “the LORD”), the Most High make the New Covenant with?

2. What scripture gives the covenant for Christians?

3. What does our Father plan to do in the last days before the Messiah comes back and becomes King?

4. What are you waiting for our Father to do with Christians during these last days?

5. Are we trying to go to heaven or stay on earth?
