

SPIRITUAL WARFARE PRAYER

Father Yahuah, I come to you in the name of Yahusha Ha Mashiach, our Messiah, the King of kings, I ask you to fill me with your precious Holy Spirit, Ruach Hakodesh, as I pray these words in the name your mighty and powerful Son.

Your Word teaches that I have the power and authority to tread on serpents, scorpions, and over all the power of the enemy, and nothing shall by any means hurt me (Luke 10:19), and so Heavenly Father, I pray that all forms of evil in my life, and that of my loved ones, be sent back NOW to your feet for judgment.

You have already won the victory through Yahusha, conquering evil, sin and death for all time, and I declare these truths in this realm this day. Father, I come to your courtroom, entering Your gates with thanksgiving and Your courts with praise, asking that my sins and transgressions be forgiven, as I forgive all those who have come against me in this lifetime. Please Father hear my prayers and petitions on behalf of myself, my loved ones, and all of your children.

I ask you now Father to avenge me of the enemy of my soul. Greater is You, Father who is in me, than he, the adversary who is in the world. No weapon formed against me will prosper and every tongue that rises up against me, You have condemned. This is my heritage as a son or daughter of the Most High, and my righteousness is from You.

All enemies of my soul, I send you to the court of Our Father, The Great I AM. I break you, all evil spirits and ask for the Holy Spirit to destroy you by fire and bring you to ashes. Every power declaring dominion over me, you are a LIAR! Break and be brought to ashes in Yahusha's mighty name. Serpent of death and every strong man, break and be brought to ashes in Yahusha's mighty name.

Every attempt at satanic or witchcraft programming of any kind, break and be brought to ashes by Yahusha's Holy Spirit Fire. Every mouth that speaks any wickedness against me, break in Yahusha's mighty name. Any power that is reporting me to satan or his demons, break and be destroyed in Yahusha's mighty name. May every stolen blessing come back to me in the name of Yahusha Ha Mashiach. I bind, smash, and send back to You Yahusha for judgment, all demonic thrones, principalities and dominions, powers, minions, territorial and tribal spirits, and any and all demonic spirits who are attempting to infiltrate my life in any way.

I forbid any and all of satan's demons from exerting influence over any area of my life- my workplace, my vehicle(s) and transportation, my dwelling place, my finances, my health, my children, my spouse, my relatives, my interactions with others, and the region where I live and work.

Whatever it is, I forbid them from operating against me today and always in the mighty name of Yahusha Ha Mashiach. I pray for Holy Spirit fire to bind, smash and send back to Yahusha for judgment all demonic altars throughout the world and in the heavenlies. I ask You to seal those portals now in Your mighty name, never again to be opened.

I bind and smash witchcraft in any form. I bind and smash all witch and warlock covens, witchcraft control and activity- all chants, spells, curses, hexes, vexes, divination, white or black magic, incantations, incarnations of demonic entities, meditation, or any type of magic in any form, and I cancel all witchcraft assignments, especially those projected against me and my loved ones. Break and be destroyed now, being brought to ashes by the power of The Holy Spirit and in the mighty name of Yahusha. Every witchcraft registry that includes my destiny or that of my loved ones, break and be destroyed now by the fire of The Holy Spirit.

I bind, smash, and send to Yahusha anything, whatsoever, that is sent by the demonic, witches and warlocks from the astral world, cancelling all astral travel of every kind. I cancel NOW with the blood of Yahusha all witchcraft blood sacrifices done in mockery and rebellion of the only true blood sacrifice of Yahusha. I render all blood sacrifices made by all witches and warlocks, and anyone caught up in the demonic in any realm of the earthly or spiritual worlds to be null and void and cancelled NOW by the blood of Yahusha.

I declare that every evil pronouncement into the atmosphere that has been made against me and my loved ones be nullified and destroyed NOW by the Fire of the Holy Spirit. I bind, smash, and send for judgment to Yahusha all demonic kings, princes, and world rulers who are representatives of every demonic spirit ever known or unknown.

Yahusha's power and authority strips each and every demonic spirit and its hierarchy of power, armor, and rank, and I pray Yahusha that you would separate every demonic spirit from each other. Father Yahuah speak confusion into the ranks of the enemy, and declare their assignments against me this moment are hereby rendered null and void in your mighty name. I ask you Father to paralyze their tongues and curses, rituals and blood sacrifices. Father cause confusion in their ranks and with their communications, and distort and sever all contact between every demonic being known or unknown. I declare that every demonic utterance be scattered and fragmented in Yahusha's mighty name; and for every attempt a demonic spirit makes against me, I pray Father that you

will send recompense seven times more powerful back against that spirit or spirits and destroy them completely. Father, You have declared that all demonic spirits are rendered powerless because of the sacrifice of Your Son, and I come into agreement with this truth, this moment and forever, in the mighty and powerful name of Your Son, Yahusha Ha Mashiach.

I bind, smash and send to Yahusha all demonic spirits from the netherworld- spirits in between, around or near us, trapped and bound spirits, and all familiar spirits. I bind, smash and send back for judgment all demonic spirits inhabiting animals, strange and ungodly creatures, hybrids, mutations, giants, shape shifters, artificial intelligence, and the nephilim, or so called aliens. I declare that these spirits are forbidden to be activated from whatever source they come from, whether it be from witches or warlocks, demons or fallen angels, through chants, spells, curses, hexes, vexes, divination, white or black magic, incantations, incarnations of demonic entities, mediation or any type of magic in any form whatsoever.

I bind, smash, and forbid any and all types of sorcery in my life and all those who are the children of Elohim in the mighty name of Yahusha. I bind, smash and break all evil affecting my senses of sight, smell, touch, taste, and hearing; all evil against my emotions; all evil against the seven points of the body used by witchcraft and new age practices known as the chakras- the base of the spine, spleen, navel, heart, throat, between the eyes, and on the top of the head.

I bind, smash and break all evil sent to attack and harm our bodies, Your earthly Temples- the digestive, skeletal, muscular, reproductive, respiratory, circulatory, and nervous systems, including every other system and related part of the body- brain, organs, skin, tissues, cells, and especially my blood which carries our Father's precious and Holy DNA. All witchcraft sponsored infirmities focused on my body break and be brought to ashes now by Father's Holy Spirit Fire. I bind, smash, and send back to Yahusha for judgment all attempts by demonic forces to corrupt my DNA by infiltration of any kind. I break and cancel any attempts to implant into my body anything that will change my DNA and cause corruption.

I cover every source of nourishment that enters my body in the form of food or drink with the Holy and precious blood of Yahusha. I declare that all attempts by demonic forces to infiltrate or cause harm in any way to my body through unclean, tainted sources and practices be null and void this moment in Yahusha's mighty name. I especially bind and smash all attempts by the enemy to infiltrate my DNA by causing the consumption of any form of tainted or corrupt substances which have been altered from their purest and original form, in any way. This includes all genetically modified

substances, vaccines and substances that have been tainted with unholy blood coming from aborted fetuses, or ungodly practices strictly forbidden by Our Father.

I bind, smash, and break with Yahusha's blood and His Holy Spirit Fire, any and all witchcraft, evil powers and demons giving assistance to, or pulling energy from our bodies, as they draw power from the planets, sun, moon, and stars, constellations, air, wind, fire, water, light, darkness, matter, the elements, or from lines, squares, circles, symbols, artifacts, or by any other means whereby spells, curses and potions are used against me. In the name of Yahusha, I bind, smash and break any transference of demonic spirits sent by satan or his demons, witches or warlocks that would come against me- family, friends, or acquaintances. I take up the sword of the Spirit, The Holy Word of Yahuah, and I sever all evil soul ties between these evil spirits and my family, friends, and acquaintances. I pray that this prayer would be in effect by the blood of Yahusha for all those in my family line and all those I have ever met or have had contact with in this life.

Yahusha, in your mighty name, I cover all communications and equipment that I use daily with Your Holy and sanctified blood, and I declare that no demonic force or spirit of any kind is permitted to enter, travel through or control any device(s) that I use. This includes all media- phones, tablets, computers, internet, wifi signals, electric or solar connections, generators, plumbing, and all other devices used as a part of my daily life. I anoint and seal all entrance points with Your precious blood, covering them and preventing them from all infiltration attempts by demons of any kind.

I refuse to accept the mark of the beast spiritually and physically, and I pray Yahusha that You would enable my loved ones to understand the consequences of taking the mark of the beast when it becomes mandatory in this world in order to buy, sell and survive. I command all demonic spirits coming from the evil eye, third eye, masonic eye, and the all seeing eye in the name of Yahusha to go to You immediately for judgment and be sent to the lake of fire.

I cancel by the blood of Yahusha any and all satanic covenants, oaths, vows, pacts, permissions, petitions, entrances and agreements made by all our ancestors going back to Adam and Eve. Any curse whatsoever made by any agent of satan that has been placed on my bloodline from any generation is now declared null and void by the mighty and precious blood Your Son, Yahusha.

Yahuah, before I sleep tonight, I pray You would cover me, my loved ones, and all Your children with Your Holy and precious blood, surrounding me with your warrior angels and Your whirlwind of fire. I ask that you would place your blood on all entrance points

to my dwelling places and that of my loved ones-gates, doors, windows, and entrance ways, etc... preventing any attempt by the enemy or his minions to visit or enter and cause torment in any way. I declare that every spirit of the enemy, whether unclean, familiar, or however a spirit is attempting to manifest during the night that would disturb my sleep and trouble my mind, break and be destroyed and brought to ashes now by the Fire of The Holy Spirit. I declare that I will have peaceful dreams of the Kingdom this night, and I renounce all dreams of torment, death and sorrow in the name Your mighty and powerful Son, Yahusha.

Every night demon, especially lulu and lilith, and incubus and succubus spirits receive the arrow of destruction and sword of Your Spirit. Break and be destroyed by Yahuah's Holy Spirit Fire NOW in Yahusha's mighty name.

All dark angels who are watching me from demonic realms, break and be brought to ashes NOW by the fire of Yahusha's Holy Spirit. Every satanic network that is operating against me, we send Yahuah's Holy Spirit Fire to destroy you. Father, deflect any arrows by day and terrors by night from locating me, and place me in Your supernatural wall of fire, insulating me and my family from all attacks of the enemy.

From the entrance to the exit of my dwelling places, up and down every stair or level, I position Your power and presence Yahuah to monitor and prevent any satanic invaders from coming against me while we sleep. I forbid the entrance of any type of demonic creature, hybrid, animal, or any other demonic being or minion from entering my dwelling places while I sleep. All demonic spirits attached to anyone or anything in the area of my dwelling places are hereby rendered ineffectual, harmless and broken and destroyed by Yahuah's Holy Spirit Fire.

Yahuah, Father, I loose Your love, Your power and authority in this place, Your protection, Your strength, Your healing and wholeness, Your mercy and grace, Your blessings and favor, and all provisions needed to fulfill my purpose. I loose the restoration of all that the enemy has stolen from me, and I pray that more children of Elohim may be saved by these prayers and obedience to You. I ask for twelve plus legions of angels to preside over my dwelling places in order to keep the enemy from attacking any of us here.

Father, Yahuah, my entire existence is consecrated to You, and I ask for the mighty and powerful blood of your Son to always cover, course through, and protect me from all forces of darkness, no matter what they may be. I Thank you that I can speak these words of prayer from my heart with all confidence and assurance that You are faithful to Your Word, and that when I speak these words, and come to you in the Name of Your

Son Yahusha, these words breathe life with every utterance. You have not given me the spirit of fear, but of power, love and a sound mind.

I am at Your feet, at Your service, and I humbly pray that You would hear this prayer and answer me according your perfect will. I adore you! I praise you! I honor and glorify You! You are The Most High, El Shaddai, and Master of all creation, who will soon fulfill your promise to gather us!

Thank you for hearing me and thank you for your love and faithfulness in answering my prayers. All praise, honor and glory to you Yahuah! I come to you humbly in the name of your Son, Yahusha HaMaschiach! Praise you Yahuah! HalleluYAH!
